Subject: [SUGC]Approval of registration guidelines for students with backlog in 1st year courses]

Dear Colleagues,

The Chairman, Senate has approved the SUGC recommendations regarding the registration guidelines for students with backlog in 1st year courses (Please see below).

The DOAA will circulate a google form to the Y17 (and older) batches for registration for the asynchronous semester-1. In addition to ESC101A and TA101A, PE101A will also be offered.

DUGC members can now inform the students about this.

Best

Anand Singh
